Although advisement is a task shared by advisor and student, ultimately, the student's program is his or her own responsibility. Students are required to make an appointment with their advisor well in advance of the beginning of registration each semester.

## **MINIMUM PROGRAM ADMISSION REQUIREMENTS FOR THE INTERIOR DESIGN (INDS) PROGRAM**

In order to be considered for admission into the Interior Design Program, applicants must meet the following minimum requirements:

1. Attain admission to Georgia Southern University.
2. Declare Pre-Interior Design (INDS) as a major. Until students meet admission criteria and are admitted into the Interior Design Program, they will be considered "Pre-INDS" majors and will be advised in the College of Health and Human Sciences Student Services Center. **DESIGNATION AS A PRE-INDS MAJOR IS SEPARATE FROM THE APPLICATION PROCESS AND DOES NOT GUARANTEE ACCEPTANCE INTO THE INTERIOR DESIGN PROGRAM.**
3. Have a minimum of first semester sophomore status (30 semester hours completed) upon applying for the program.
4. Achieve a minimum total institution GPA of 2.25 or better on all course work attempted (transfer course work and work completed at Georgia Southern University are considered).
5. Completed a minimum of the following Area F courses with a "C" or better: INDS 2430, INDS 2434, and 2 of the 3 ART courses in Area F, preferably ART 1010 and ART 1020. (Students may be enrolled in ART courses during the application semester).
6. By the end of the first two semesters as a declared Pre-INDS major, students shall have:
  - a. Turned in a completed Information Form (found on CHHS Student Services Center website at <http://chhs.georgiasouthern.edu/students>).
  - b. Turned in copies of college transcripts for all work completed to date.
  - c. Attended an orientation session with Interior Design Faculty (either Fall or Spring Semester of the first year as a Pre-INDS major).
7. Students transferring in with an Interior Design Major from other schools are required to have their portfolio and transcript(s) evaluated by Interior Design faculty who are responsible for determining which design courses remain to be taken and which design courses receive transfer credit.

**Meeting minimum requirements is NOT a guarantee of acceptance into the program.**

## **APPLICATION FOR ADMISSION TO THE INTERIOR DESIGN PROGRAM**

The following completed Admission Package must be turned in by the application deadline in order for the candidate to be considered:

1. Official Application (available at [http://chhs.georgiasouthern.edu/rasm/id\\_prepare.html](http://chhs.georgiasouthern.edu/rasm/id_prepare.html)).
2. Letter of intent.
3. Verification of grades with official transcripts of all schools attended including this university (WINGS transcripts accepted); mid-term verification of grades for all required courses in process (students may be in the process of taking ART 1010 or ART 1020 and will be required to submit a mid-term grade from the professor. Final acceptance would be contingent upon the final grade received in the course.)

### **APPLICATION DEADLINES:**

- ◆ **March 1** for Fall admission consideration.
- ◆ **October 1** for Spring admission consideration

## **PROGRAM PROGRESSION REQUIREMENTS**

- ◆ Students must earn a grade of "C" or higher in all courses within the major requirements, including Area F.
- ◆ Students must maintain a 2.25 adjusted GPA. An admitted student whose adjusted GPA falls below 2.25 will be on probation for one semester. If the student's GPA remains below 2.25 after the probation semester, the student will be dropped from the program. The student may be re-admitted to the program only by the application process outlined above.
- ◆ Students must complete the courses in sequence and complete all prerequisites. If a course is dropped or failed, then the student will be out of sequence and graduation will be delayed.

**NOTE:** Students transferring into the Interior Design major from other majors or from other institutions may not be able to graduate necessarily within the traditional four-year period.
